REGISTER SOFTWARE...

- 1) Start the **TruColorXP** software.
- 2) When the registration window appears, enter the following information as it appear below:

The screenshot shows a 'Regist dialog' window with the following fields and annotations:

- Attention!** This is a 30 days Trial Software. You have **30** Days Remaining.
- Buttons: Trial Software, Order Now, Cancel, <<Regist
- Company: [Text Field] → Company = enter any company name
- Address: [Text Field] → Address = enter **9999**
- Use num: [Text Field] → Use Num = enter **0**
- Use data: [Text Field] → User Data = enter **0**
- Phone: [Text Field] → Phone Number = enter **333**
- Unlock code: [Text Field] → Unlock Key = **3333011107**
- OK button
- (Your setting must be the same as the information of your order form)

- 4) Click **OK** and Done! Enjoy the software.

If the software does not accept the registration and you still have trial days remaining, you may need to wait to register until the 30-day trial has completely ran out.
